

Leadership + Technology EDUCATOR'S WORKSHOP

Audience - Current or aspiring elementary, secondary, postsecondary educators in formal and/or informal education

Goal - In an era of rapid change, driven by technological advances and shifting demands, we want to provide a dedicated space for educators to discuss innovative teaching methods and strategies for effective learning, support you with a variety of resources, and share leadership insights. The sessions are meant to be informative and interactive, encouraging a dynamic exchange of ideas and best practices among attendees. We hope to provide an opportunity for networking with others from across the state and beyond.

When - Tuesday, May 28, 2024 from 9:00AM CT through 4:00PM CT

Where - University of Nebraska-Lincoln's East Campus Union, Lincoln, NE

Cost - \$35/person

Check out the Lesson Plan / Programming Lounge space for enhancing your current work or developing new ideas!
