

4-H Insect Identification Contest

Nebraska State Fair

Participant Answer Sheet

Name _____ County _____

Address _____, _____, NE

Age on January 1 _____ Division (circle one): Age 10-13 yrs → INTERMEDIATE, Age 14-18 yrs → SENIOR

Use the **Key Sheet** provided. For each specimen, fill in the capital letter for the Order Name and the number for the Specimen Name. Each correct answer is worth 1 point. For each multiple-choice Insect Knowledge Question, circle the lower-case letter preceding your answer. Each correct answer is worth 2 points. Below is an example of a correct answer for Stag Beetle (*which is not on this year's study list*):

Specimen	Order Name (Insert Letter from Key.)	Specimen Name (Insert Number from Key.)	Insect Knowledge Question (Circle letter preceding your answer.)
1.	B	90	What kind of metamorphosis? <input checked="" type="radio"/> a. Complete b. Incomplete c. Slow

Specimen	Order Name (1 pt) (Insert Letter from Key.)	Specimen Name (1 pt) (Insert Number from Key.)	Insect Knowledge Question (2 pts) (Circle letter preceding your answer.)
